Direct Deposit and Mail Options

- Sign up via [CatsWeb](#) to have your financial aid balance check direct deposited to your bank account.

- Financial aid balance checks are mailed to the local address you have on file with the Registrar's Office (view/update your local address via [CatsWeb](#)).

Non-EFT Loans

If your lender does not use EFT (electronic funds transfer), you will have to pick up your paper loan check on the second floor of the JCK Building. Be sure to review *My Disbursements* under Paper Loan Check Disbursements at [My Financial Aid](#) to determine when your loan check will be available for pick up. Remember, even though your alternative loan funds may be reflected under *My Disbursements*, we are unable—under federal regulations—to release your funds to you until ten days prior to the start of classes.

Pell Grant, ACG Grant, SMART Grant and TEACH Grant Recipients

Your grant amount is based upon the number of semester hours for which you are enrolled on the last published day of adds and drops, which is **January 22, 2010**. You must be enrolled for a minimum of 12 semester hours on that day to receive your full Pell, ACG or SMART Grant and a minimum of 9 semester hours to receive your full TEACH grant. If you drop courses on or before January 22, 2010, you will be required to repay a portion of your Pell, ACG, SMART or TEACH Grant.

Financial Aid Balance Checks

If the grant(s) and/or scholarship(s) you received is/are greater than your registration fee bill, the remaining amount will be applied to any outstanding charges (e.g., installments, emergency tuition loans, etc.) first, and the remaining amount will be prepared for you as a financial aid balance.

Financial Aid Balance Funds Example
