- You understand that revisions to this form may delay your disbursement dates as we may be required to hold and adjust your loan.
- You understand that any budget increase may only increase your loan eligibility. New grants will not be offered.
- This form is not for reassessment of grant eligibility. Pell grants automatically prorate based on your enrollment.
- During peak seasons, there may be a 7 – 10 business day processing time for the request.
- The status of this request will be emailed to you as a revised award letter.
- This form is for financial aid purposes only and not used to drop/add courses or to withdraw from the University.
- We will review your enrollment status again on the last census date of the summer to ensure the correct cost of attendance. For example, if you have indicated “full time” and then drop to “half time,” your financial aid will be reduced and you may owe a repayment.
