Education: I am expecting to graduate from C City High School, in C City, Texas, in May 2007.

Extra-Curricular Activities: Cross Country and National Honor Society Member

Awards and Academic Achievements: Award for Mastery Recognition Math and Reading, Biology Student of the Year, National Merit award winner in English, and contributed to two District Team Tennis Championship titles.

Community Activities: I've volunteered for several organizations, mostly donating my free time during the summer months, including the County Mental Health Center.

Work Experience: I am currently working part-time at our local bank. I have worked at the bank since June of 2006. I work from 1:30 till 5:00 everyday after school. In the bookkeeping department I file checks, run the proof machine, and send customer statements.
