File your FAFSA today!
To apply for financial aid, students must complete the FAFSA (Free Application for Federal Student Aid) at fafsa.gov. The earlier you complete the FAFSA, the more likely you are to maximize your aid.

Scholarships are money that you do not need to repay, and you can stack scholarship awards and/or combine them with financial aid up to the cost of attendance. Scholarships are usually based on your academic and extracurricular achievements. They may also take into account your intended major, your financial need and other factors.

BOBCAT ONLINE SCHOLARSHIP SYSTEM (BOSS)

Search and apply for university and external scholarships in the BOSS system, including scholarships specific to your college, major or area of interest. You can also find information on eligibility requirements. Some scholarships may require a separate application.
