Fall 2019
Important Reminders

• When will my bill be calculated?
  o August 1 - Student Business Services will begin calculating bills. Notifications will be sent out via email.

• When will my aid pay out?
  o August 16 - Available aid will be moved to your student account with Student Business Services. Please remember aid will only be applied to those courses that count toward your degree.

• When will my refund go out?
  o August 19 - If your aid is MORE than your bill, Student Business Services will begin processing refunds on a weekly basis.

• When is the payment deadline?
  o August 22 - If your aid is LESS than your bill, you will have to set up a payment plan to prevent your courses from being dropped. The payment plan option will open immediately after bills are calculated. Please Note: until disbursed, financial aid CANNOT be used as a down payment for the payment plan. Financial aid will begin disbursing on August 16, 2019.

• When is my aid amount(s) actually determined?
  o September 11 - Your financial aid eligibility is based on your major and the enrolled hours that count toward your degree on this date. At that time, your aid may be adjusted, and you will be responsible for any amount due.

We hope this information is helpful and that you have a great start to the semester.
