

Financial Aid and Scholarships Terms and Conditions

Terms and Conditions of Your Awards

By accepting the financial aid offered to me, I acknowledge that I understand and agree to the following terms and conditions, as well as certify that I meet the below requirements.

Disbursement of Aid

- I understand that if enrolled 10 days prior to the first day of classes, and any day thereafter, that my financial aid for that semester, if available for disbursement, will automatically be applied toward my student account with Student Business Services.
- I understand that if I decide not to attend Texas State University, I must officially [withdraw](#) through the Registrar's Office. If I do not officially withdraw prior to the first class day, I will be considered to be enrolled. If I withdraw from the University once classes have begun or fail to receive earned grades in courses that span the entire period I am scheduled to complete during a semester, I will be responsible for repayment of all or a portion of my financial aid.

Required Actions

- I understand that I must accept my financial aid awards either online or in person before funds will be available.
- I understand that awards not accepted within three weeks of my being sent an award notice (email or letter) will be cancelled and will not be reinstated.
- I will notify Financial Aid and Scholarships of any outside resources (such as scholarships or waivers) not listed on my award via the [Resources/Additional Information](#) tab on Texas State Self Service.

Potential Repayment of Aid

- I understand that Financial Aid and Scholarships may be required to adjust my awards if there are any changes in enrollment status, housing status or other aid received.
- I understand that my awards and cost of attendance are based on full-time enrollment. I also understand that if I plan to enroll less than full time that I must complete and submit an Enrollment Change Form so that my awards and cost of attendance can be adjusted.
- I understand that if I am not enrolled at least full time, or as otherwise indicated on my Enrollment Change Form, on the census date for the semester (i.e., 12th class day of each fall and spring semester and the 4th class day in July for the summer semester), I may be required to repay all or a portion of the aid that I have already received.

- I understand that if I am a Pell Grant, Iraq Afghanistan Service Grant (IASG) or TEACH Grant recipient, federal regulations require me to be attending the courses for which I am enrolled. If on the census day roster I am reflected as not being in attendance for a course, I am assumed not to be in attendance for that course. My grant will then be adjusted or cancelled, as appropriate, based on the courses I am attending.

Eligibility

- I understand that my enrollment status for financial aid eligibility is based on only those courses that count toward my degree.
- I understand that I must maintain my eligibility for financial aid. I further understand that the Satisfactory Academic Progress (SAP) policy can be viewed by visiting Maintain My Eligibility ([undergraduate](#) or [graduate](#)).
- I understand that I must be enrolled at least half time in an undergraduate or graduate degree-seeking or post-baccalaureate teacher certificate program in order to be eligible for financial aid.
- I understand that if I retake a previously passed course for the second or subsequent time, the course is not aid eligible. If I am enrolled in such hours on the census day (i.e., 12th class day of each fall and spring semester and the 4th class day in July for the summer semester), my aid-eligible enrollment will be reduced, and I may be required to repay any aid that I received for such courses.
- I certify I am not incarcerated.

Availability of Funds

- I understand Texas State is permitted to apply my federal, state and institutional financial aid to my tuition, fees, room and board charges.
- I understand that funds are awarded on a first-come first-served basis and the priority deadline to submit my FAFSA each year is January 15. Additionally, some funding is only available to students who are also admitted to the University by January 15.

Notifications

- I understand that all formal communication from Financial Aid and Scholarships will be sent to the email address designated as preferred on [Texas State Self-Service](#).
